about this product.**

**FOR PRODUCER USE ONLY – NOT FOR DISTRIBUTION TO THE PUBLIC AS SALES LITERATURE.**

\*Annual benefit amount is determined by the benefit base multiplied by an annual benefit percentage which ranges from 3.0% to 7.5% based on the age of the youngest covered person at time of rider activation and whether payments are based on one or two lives. The enhanced death benefit is in effect only until guaranteed withdrawals begin. The benefit base is not a guarantee of contract value or an amount that can be withdrawn.

This product is not registered as a security with the SEC and is not a direct investment in any stock, bond or equity investment. Products, features and availability may vary by state.

Annuities issued by PHL Variable Insurance Company (PHLVIC), Hartford, CT. Guarantees are based on PHLVIC's claims-paying ability. PHLVIC is not licensed to conduct business in NY and ME and is not affiliated with AltiSure or AltiSure member firms.
