

- "Come and get it!! Wait and you will regret it later."
- "Most thorough training I've ever attended in almost 30 years on variable markets and how to position yourself as a dominate advisor."
- "Fantastic"
- "If you are serious about growing your business, this is the place you need to be."
- "Best training seminar I have attended in my 39 years in the financial services industry. Awesome."
- "I have been in the financial industry for 25 years & have seen a lot of dog and pony show - this is the real deal - straight forward and transparent."
- "We have found a home. Any new shiny stuff coming into my e-mail talking about what someone's program will do for me . . . Delete!"
- "If you're looking at increasing your knowledge as a financial professional, HIM is the place to receive straight and honest advice! I highly recommend them."
- "This training provided the missing chink in my armor that I can now provide w/complete confidence to my clients. Drew is amazing to listen to." "Most valuable training I've ever attended."
- "This approach to risk management is a message that all clients need to hear."
- "You're missing out if you're not in."
- "I worked for two major companies, and I learned more and received more valuable information in Horter's two day training than any other I received with them."
- "I really like your philosophy to helping clients reduce risk and still get pretty good gains. Avoiding huge drawdowns is HUGE! I respect that."
- "Excited to once again get back into the markets via HIM's investment platforms."
- "Very much enjoyed my 1st training session & I'm looking forward to going forward with Drew and his organization."
- "This is a truly unique concept. I have been in this business for 32 years and this is most definitely the real deal."
- "If you haven't experienced this training, you are missing the boat."
- "Best overall training for presenting portfolio evaluations to clients."
- "After 31 years in the business, the most excited I have been. Finally a place for my conservative senior clients other than FIAs!!!"
- "World class wealth management platform and mentoring."

COMMENTS FROM A RECENT TRAINING

- "The addition of the sleeve concept with non-correlated funds make a great platform even greater."
- "If you want to be different in your marketplace, you must attend this training."
